Student feedback mechanism:

- Class advisors of the class are given the responsibility of collecting feedback from students belonging to that class to ensure free and fair response.

- A structured Performa consisting of important parameters pertaining to teaching- learning process has been designed for the purpose of collecting students' feedback.

- The outcome of the feedback is communicated to the Faculty members concerned wherever necessary, for their improvement.

- The inputs are communicated to the faculty members through HOD by the Principal for suitable improvements.

- The feedback is entered into ERP and ratings given by students are calculated to arrive at accumulative index which will denote the rating of the students for the faculty in a given subject.

5 – Excellent, 4 – Very Good, 3 – Good, 2 – Fair, 1 – Poor

Grievance redressal mechanism for Faculty, Staffs & Students:

There is a grievances redressal committee which is functioning to look into the grievances of teaching and non-teaching faculty, and students. The committee conducts regular meetings to study the grievances and recommends suitable measures to the Principal for action. Normally every genuine grievance is promptly attended and action taken reports is maintained.
