Sir / Madam,

I am writing to address a matter of serious concern that has come to our attention regarding your lack of commitment as a Faculty to teach the course allocated during the Academic year 2023-24 / ODD. It is the collective responsibility of every faculty member to ensure that we offer the best education to our students.

Upon reviewing your performance through feedback, we have identified several areas that have consistently fallen below the expected standards. These areas encompass your teaching ability, subject knowledge, syllabus coverage and academic results etc.,

In this connection you are informed to attend the counseling meeting with your HoD and bring the course log book, course file on 17.11.2023, in the principal office.
