## INSTITUTION VISION AND MISSION

### VISION

- Our ambition is to develop a center for imparting technical education with creativity and perform research with practical value to meet challenges of engineering environment and to achieve rural empowerment.

### MISSION

- The institute aims to produce innovative professionals with sound subject knowledge, research experience and social character for a sustainable growth of the nation by providing adequate training to develop education with leadership qualities.

## DEPARTMENT OF CIVIL ENGINEERING

### VISION

- To impart knowledge and excellence in Civil Engineering and technology with global perspectives to our students and to make them ethically strong engineers to build our nation.

### MISSION

- To produce Civil Engineers of high caliber, technical skills, and ethical values to serve the society and nation.
- To make the department a center of excellence in the field of civil engineering and allied research.
- To provide a knowledge base and consultancy services to the community in all areas of civil engineering.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### VISION

- To advance the state of the art in computer science and engineering by working on cutting-edge research topics, publishing quality research papers, and filing enduring patents. To contribute effectively to the important national endeavor to produce quality human resources in information technology and related areas for sustainable development of the country's IT industry needs.

### MISSION

- To produce highly qualified and motivated graduates through a rigorous curriculum of theory and application that develops the ability to solve problems, individually and in teams.
- Creating knowledge of fundamental principles and innovative technologies through research within the core areas of computer science and also in inter-disciplinary topics.
- Serving the communities to which we belong at local and national levels, combined with a deep awareness of our ethical responsibilities to our profession and to society.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

### VISION

- To impart education to become highly competent professional in Electrical and Electronics Engineering with trained skills to meet contemporary and upcoming challenges to serve the society.

### MISSION

- To create technical manpower for meeting the current and future demands of industry.
- To develop students with innovative skills and positive attitude through effective teaching learning process.
- Provide advanced engineering research for the graduates to equip themselves with broad intellectual spectrum for diverse and competitive career paths.

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### VISION

- To foster academic excellence imparting knowledge in Electronics, Communication and allied disciplines to meet the ever growing needs of the society.

### MISSION

- To impart quality education and develop an aptitude for professional career and continuous learning with ethics and social responsibility.
- To provide a framework for research and innovation to meet the emerging challenges through regular interaction with industry.
- To be a learner-centric environment by upgrading knowledge and skills to cater the needs and challenges of the society.

## DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

### VISION

- To be a globally recognized center of excellence in the field of Artificial Intelligence and Data Science that produces innovative visionaries and research experts capable of addressing complex real-world challenges and contributing to the development of the nation.

### MISSION

- To provide cutting-edge education in the field of Artificial Intelligence and Data Science that is rooted in ethical and moral values.
- To establish strong partnerships with industries and research organizations in the field of Artificial Intelligence and Data Science, and to excel in the emerging areas of research by creating innovative solutions.
- To instill a sense of social responsibility in our students and inspire them to use their knowledge and skills for the furtherance of society.
- To inspire and guide our students to become entrepreneurs in the field of Artificial Intelligence and Data Science, and to develop an entrepreneurial mindset that fosters innovation and creativity.
