

## **YEARLY STATUS REPORT - 2021-2022**

### **Part A**

#### **Data of the Institution**

<b>1.Name of the Institution</b>		<b>SASURIE COLLEGE OF ENGINEERING</b>
• Name of the Head of the institution		<b>Dr.E.Nandakumar</b>
• Designation		<b>Principal</b>
• Does the institution function from its own campus?		<b>Yes</b>
• Phone no./Alternate phone no.		<b>04294243675</b>
• Mobile no		<b>9442593839</b>
• Registered e-mail		<b>sceprincipal@sasurie.com</b>
• Alternate e-mail		<b>info@sasurie.com</b>
• Address		<b>Nadupatti, Vijayamangalam</b>
• City/Town		<b>Tiruppur</b>
• State/UT		<b>Tamil Nadu</b>
• Pin Code		<b>638056</b>
<b>2.Institutional status</b>		
• Affiliated /Constituent		<b>Affiliated</b>
• Type of Institution		<b>Co-education</b>
• Location		<b>Rural</b>
• Financial Status		<b>Self-financing</b>

• Name of the Affiliating University	Anna University				
• Name of the IQAC Coordinator	Mr.V.P.Krishnamurthy				
• Phone No.	04294243675				
• Alternate phone No.	9442593815				
• Mobile	9442593815				
• IQAC e-mail address	sceiqac@sasurie.com				
• Alternate Email address	sasurieqac@gmail.com				
3.Website address (Web link of the AQAR (Previous Academic Year)	<a href="https://sasurieengg.com/iqac/aqar/2020-2021.pdf">https://sasurieengg.com/iqac/aqar/2020-2021.pdf</a>				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	<a href="https://sasurieengg.com/wp-content/uploads/2023/09/21-22_Academic-Calendar.pdf">https://sasurieengg.com/wp-content/uploads/2023/09/21-22_Academic-Calendar.pdf</a>				
<b>5.Accreditation Details</b>					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.20	2016	25/05/2016	24/05/2021
6.Date of Establishment of IQAC			04/06/2016		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
Nil	Nil	Nil	2021	0	
8.Whether composition of IQAC as per latest NAAC guidelines			Yes		
• Upload latest notification of formation of IQAC			<a href="#">View File</a>		
9.No. of IQAC meetings held during the year			02		

<ul style="list-style-type: none"><li>Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?</li></ul>	No	
<ul style="list-style-type: none"><li>If No, please upload the minutes of the meeting(s) and Action Taken Report</li></ul>	<a href="#">View File</a>	
<b>10. Whether IQAC received funding from any of the funding agency to support its activities during the year?</b>	Yes	
<ul style="list-style-type: none"><li>If yes, mention the amount</li></ul>	5,25,000	
<b>11. Significant contributions made by IQAC during the current year (maximum five bullets)</b>		
<ul style="list-style-type: none"><li>Ensured a conducive environment in the Teaching and Learning process to follow OBE and its progress and was verified by IQAC through Academic Audit</li></ul>		
<ul style="list-style-type: none"><li>Initiated enriching the students' and faculty's knowledge by signing MoU with various industries and started to function their incubation Centre in our Institution's Campus.</li></ul>		
<ul style="list-style-type: none"><li>Motivated the faculty members to carry out consultancy and research project works to serve the people in society in a better way through their research contributions.</li></ul>		
<ul style="list-style-type: none"><li>Encouraged the faculty members to publish their work in the form of text/reference books, conference /book chapters, and research articles in reputable journals such as UGC Care, Scopus, and SCI, and received approval from the respected Management of the Institution to provide additional financial seed apart from regular financial assistance to motivate faculty members in enriching their research culture.</li></ul>		
<ul style="list-style-type: none"><li>Ensured Green campus initiatives for conducive campus environment</li></ul>		
<b>12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year</b>		
Plan of Action	Achievements/Outcomes	
Academic and Administrative Audit (AAA)	Achieved 91.53 % student graduation during 20-21 Academic year, suitable Corrective measures and Action plan for	

	improvement was suggested
Conduct of capacity development and skills enhancement activities for the benefit of the students	Successfully conducted 8 skills enhancement programmes and more than 90% of students attended and completed with certificates
Conduct of VAC to all students	Successfully conducted 8 VAC programmes and more than 90% of students attended and completed the course with certificates
Conduct of workshops/seminars/conferences to promot Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship for the benefit of the students	Successfully conducted 10 workshops/seminars/conferences to promot Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship skills and more than 90% of students attended and completed with certificates
Conduct of extension and outreach programs through organized forums including NSS/NCC with involvement of community	Successfully conducted 22 extension and outreach programs through organized forums including NSS/NCC for the benefit of the community people around the college
Management Development Programme (MDP)	2 Management Development Programme (MDP) for 5 days were organized and more than 90% of teaching staff and non-teaching staff members were actively participated and received the participation certificate
Administrative Training Programme (ATP)	01 Administrative Training Programme (ATP) for 5 days were organized and more than 90% of teaching staff and non-teaching staff members were actively participated and received the participation certificate
<b>13. Whether the AQAR was placed before statutory body?</b>	<b>No</b>
<ul style="list-style-type: none"> <li>Name of the statutory body</li> </ul>	

Name	Date of meeting(s)
Nil	Nil

**14. Whether institutional data submitted to AISHE**

Year	Date of Submission
2023	05/02/2023

**15. Multidisciplinary / interdisciplinary**

Sasurie College of Engineering (SCE) offers eight undergraduate programs [B.E. – Civil, CSE, ECE, EEE, Mech, CSE (Cyber Security) and B.Tech – AI&DS, IT] and six postgraduate programs [MBA, ME – CSE, Applied Electronics, VLSI Design, Power Electronics and Drives and M.Tech – IT] all approved by AICTE and affiliated with Anna University, Chennai. The goal of SCE is "Foundation for Future Excellence." The interdisciplinary curriculum in Engineering and Technology, designed by Anna University, is based on the Choice Based Credit System (CBCS), with each course assigned specific credit points. The courses are categorized into core, elective, value-based, and skill-based courses. All programs incorporate various forms of learning, including participative learning, experiential learning, and problem-solving. Many students present their innovative ideas at conferences, workshops, and seminars. Additionally, final-year students are encouraged to undertake project work addressing current societal issues and technological challenges. These multidisciplinary activities help students enhance their real-time problem-solving skills.

**16. Academic bank of credits (ABC):**

The academic bank account is opened and maintained by individual students according to the University Grants Commission regulations. The credit points earned by students from their courses are stored in the academic bank of records database by their respective departments. If a student discontinues their studies at our college and enrolls in a new institution for personal reasons, their previously earned credit points are taken into account for awarding the degree, as per Anna University norms. SCE encourages our students to participate in various online courses, such as those offered by SWAYAM and NPTEL, which promote subject learning and allow students to earn credit points. Faculty members are encouraged to develop new student-centric strategies and distribute additional reading materials to help students update their skills. All these

efforts by the institution foster learning and the earning of credit points.

#### **17.Skill development:**

SCE places great emphasis on student skill development by periodically organizing special programs in each department that focus on soft skills, language and communication skills, life skills, and ICT tools, all conducted by expert resource persons. These specialized courses equip students with the necessary tools to solve real-world problems. Enhancing the students' skill sets and exposing them to cutting-edge technology opens up more opportunities in their chosen fields. Through MoUs signed with various sectors and educational institutions, we facilitate the transfer of advanced knowledge. Internships across diverse fields provide students with practical experience in their area of study, while also exposing them to industry culture and operational methods.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

SCE is dedicated to providing a modern education while preserving India's traditional knowledge heritage. Language in higher education is a major challenge for rural students, as English is the common medium of instruction. To address this, SCE faculty members employ a bilingual method of teaching. SCE celebrates various Tamil festivals and cultural events such as Pongal, Deepavali, Bharathiyar's birthday, A.P.J. Abdul Kalam's birthday, Annual Day, Christmas, Ramzan, and more. These events enhance cultural awareness and emphasize the values of diverse cultural activities within the student community. Numerous activities are organized during these festivals to spread awareness of our rich cultural heritage.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

SCE follows the Outcome Based Education (OBE) approach for teaching, learning, continuous improvement, and evaluation in a student-centric learning environment. For all UG and PG programs, Programme Specific Outcomes (PSOs), Programme Outcomes (POs), and Course Outcomes (COs) are established. Course coordinators design COs based on the objectives and syllabus of each course, and these COs are assessed through questions in internal assignments. PSOs are defined as additional outcomes that graduates must achieve by the end of the program. The attainment of each CO and PO is assessed, compiled, and analyzed to measure student performance. If the CO and PO targets are not met, faculty members adjust their teaching and assessment methods accordingly. Assessment is based on student performance in internal tests and end-semester external examinations. The

attainments of POs and PSOs are also evaluated through mini-projects, group discussions, quizzes, case studies, seminars, and workshops. Additionally, the Department Advisory Board and Program Assessment Committee (PAC) scrutinize the process and address any issues to promote significant learning progress.

## 20.Distance education/online education:

During the COVID-19 pandemic, SCE organized several classes, class committee meetings, webinars, and other meetings through online platforms such as Google Classroom and Zoom at regular intervals. This approach allowed students to continue their studies without interruption during the lockdown period. Many practical classes were also conducted virtually. Additionally, our institution encouraged faculty members and students to participate in various online programs like seminars, workshops, conferences, faculty development programs, and NPTEL courses. Post-COVID, SCE has further enhanced ICT facilities to improve knowledge transfer between students and faculty members.

## Extended Profile

### 1.Programme

1.1	398
Number of courses offered by the institution across all programs during the year	

File Description	Documents

<b>4.Institution</b>	
4.1	46
Total number of Classrooms and Seminar halls	
4.2	60.29729
Total expenditure excluding salary during the year (INR in lakhs)	
4.3	350
Total number of computers on campus for academic purposes	

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

### 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum and syllabus prescribed by Anna University and the objectives and outcomes of each course are disseminated among the students. Academic calendar based on the academic schedule is prepared and disseminated to students and teachers. In each semester, course allocation, time table preparation, course files are done in the beginning of the semester. Course files includes syllabus, lesson plan, notes of lesson, question bank, Programme Objectives and Outcomes, Course Objectives and Outcomes. Three Unit tests and two model examinations for theory courses and one model practical exam are conducted before university examination. Apart from teaching using board and chalk, teachers use LCD projector and Smart Board for effective teaching using pictures and videos. Theory subjects requiring demonstration are handled in labs for better teaching. Seminars/Guest lectures are arranged for the better understanding of the course. Industrial visits are arranged for the students apart from permitting to attend In-Plant Training and Industrial Internship. Class committee meeting is conducted to monitor the progress of theory and laboratory courses in line with lesson plans. Remote access to e- Journals and e-Books is available to all students and teachers in our library.

### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the outset of every academic session, the Academic Calendar prepared by the team comprising of Principal, HoDs and senior faculties is referred by the students and also available on the college website.

**Internal Examinations following Anna University Schedule:** Before commencing the internal examinations, question papers are scrutinized by the Technical Expert Committee and the exams are held continuously as per schedule and the marks secured by the students are entered in Anna University web portal.

**Assessment process:** As per Anna University regulations, three

internal exams are held per semester and thereby continuous performance of the students is assessed. Apart from that, other tests, assignments, miniprojects, and quizzes also form part of Continuous Internal Evaluation. The evaluated answer books are handed over to the students so as to be an opportunity for them to discuss the evaluation with the faculty concerned and the faculty rectifies the errors instantaneously noticed. Answer script scrutiny is done by the committee members also and based on which continuous monitoring is ensured in the progress of slow learners by sustained coaching.

## 1.3 - Curriculum Enrichment

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Institution holds the pride of imbibing the cross cutting issues relating to Gender, Environment and sustainability, Human Values and Professional Ethics with the main curriculum. In order to inculcate such best qualities in the students' mind several programme are

conducted time and again.

**GENDER SENSITIZATION:** The Institution ensures the exertion of similar efforts in moulding students' character and caliber, irrespective of their gender.

**HUMAN VALUES:** The most important values such as courtesy, honesty, integrity, punctuality etc., constitutes the quality of a human being, our Institution is much concerned in inculcating such values in the minds of a green-horn engineer.

**PROFESSIONAL ETHICS:** Professional Ethics forms a part and parcel of the main curriculum. Hence, it is mandate to provide proper training to students to equip them to be professional in a working atmosphere.

91

File Description	Documents
Any additional information	<a href="#">View File</a>
Number of seats filled against seats reserved (Data Template)	<a href="#">View File</a>

**2.2 - Catering to Student Diversity**

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

At the outset of academic year, the students' learning level is assessed through dual measures viz., on the basis of marks scored in end semesters examination and internal assessment test in pursuance they are identified as slow and advanced learners. This system helps to formulate a strategy for improving slow learners through special coaching/tutorial sessions to bridge the gap between them and advance learners. After analyzing the learning level from their performance in daily tests and Internal Assessment Examination, the students are again categorized which encourages them to learn more and prove their involvement in the class room observation.

In order to motivate the students continuous trainings are given on communication skills, personality development, time management, seminars and guest lectures are arranged for their benefit. Various workshops with hands-on session both internal and external are arranged for promoting their programming knowledge and skills.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Our Institution adopts the innovative robust teaching learning process so as to provide quality education and good learning experience for students to make them to analyze the real-time applications and to supply the needs, as per industrial scenario.

Experiential Learning - termed as "Hands-on learning" is imparted to our students in real time applications through Seminars and Workshops. Our Institution encourages the students to do the projects by forwarding them to various industries to pursue their internships, industrial trainings viz., ICT and project-based learning which enable them to do industry oriented projects.

Participative Learning - Our Institution has been knitted with Incubation Centres which support the students to undergo Industry-Oriented Training, Internship and Live-Projects etc., which is the ample proof of achieving their participative learning.

Problem solving methodology - is a student-centered pedagogy in which students learn through experiencing the salvation of open ended problems. This methodology helps students to develop their wit and talents, desirable skills and also attributes other aspects such as acquiring knowledge, enhancing group collaboration, team spirit and improvement of individual communication skill.

File Description	Documents
Upload any additional information	<a href="#">View File</a>

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

It is essential for the students and the faculty to learn and master the latest technologies in order to be corporate ready. As a consequence, in our institute, the classrooms and labs are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connection. The faculty and students at our institute using various ICT enabled tools to enhance the quality of teaching-learning. The academic year 2020-2021 was completely affected by Covid-19 pandemic. Hence, Google classroom is ultimately used to manage and post course related information, learning material, quizzes, internal assessment question papers, answer scripts, assignments and their evaluations, etc. The use of laptops and internet became a common practice not only for the teachers but also for the students.

File Description	Documents

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

**Internal Assessment Examination** - As per the Anna University norms, three centralized internal Exams (CIE) are being conducted for which the Time Table will be prepared and displayed in the notice board well in advance as per the academic schedule. Before commencing the examinations, the subject faculty members will prepare two sets of question papers based on the blooms taxonomy, verified and approved by the concerned department HoDs. Once the examination is over, the faculty concerned will discuss the question paper with students and their performance in the examination, based on the evaluation scheme. Exams are conducted continuously as per schedule and the marks secured by the students are entered in Anna University web portal along with attendance.

File Description	Documents
Any additional information	<a href="#">View File</a>
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

**Evaluation Process** - Evaluation of the answer scripts are done within two days after completion of the internal exam based on the answer key prepared by the course instructor. As a means of transparency, the evaluated answer scripts are given to the students for perusal and for discussing with the faculty concerned and the faculty, in turn will rectify the discrepancies, if any, noticed. The students will note the correction of marks and acknowledge the same by signing near the marks recorded in the answer script.

**Redress of Students' Grievances** - During the end-semester

examinations the general issues being faced by the students are such as (i) difficulty in down-loading the Hall Ticket and question papers since this academic year exams has been conducted in online, (ii) wrong particulars such as Register No., Name, Gender, Subjects with Code etc., found in Hall Ticket, (iii) out of syllabus in the question paper, (iv) results withheld by University and so on. Whenever a student representing such grievances, the Exam Cell will take responsibility and initiate immediate action by representing the matter before the University authority and ensure it is redressed.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute has Course Outcomes (COs) for each course offered to the students, Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Programme Educational Objectives (PEOs) for all programme. It has devised a well-defined Vision and Mission statements based on which POs and COs are framed correlating syllabus content by HoDs, Course Instructor along with subject experts for discussion and approval by the Governing Council.

COs, POs, PSOs, PEOs and Vision and Mission statements are disseminated to the stakeholders by displaying on the college website, HoDs' cabin, Faculty rooms, class rooms, laboratories, lab manuals, course delivery plan and at other conspicuous places of the Institution for the public view of students, staffs and others.

File Description	Documents
Upload any additional information	<a href="#">View File</a>
Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	No File Uploaded

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Evaluation of Programme Outcomes and Course Outcomes Attainment - is evaluated on direct and indirect attainment achieved by students. Direct attainment is assessed through three internal tests each meant for 100 marks with the assessment weightage for 20% and End Semester examination meant for 100 marks is assessed for 80% weightage. Both are taken together with the conversion of weightage for 80% and the remaining 20% meant for indirect attainment achieved through course end survey based on which final results published.

Indirect Attainment is assessed through Student Exit Survey held at the end of program, Alumni Survey and Parent's Feedback being obtained every year. Survey questionnaire are mapped to relevant POs/PSOs.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The Institution has developed an Eco-system to support Innovation, Knowledge transfer, and Entrepreneurship. As a part of the development of the Staff and Students, our Institution has initiated and developed some various cells related to Entrepreneurship, Publication and Patents, Research and Training

Innovation & Incubation Cell (IIC) Our Institution created the Innovation and Incubation cell for the development of the students. The main objective of the IIC in Technology-based Professions is to promote Innovation and Research activities of the students and staff. Students and Staff give presentations on their efforts and ideas. IIC offers numerous awareness activities, such as Special Lectures, Seminars, and Workshops on Intellectual Property Rights, to raise awareness and provide insight into various elements of IPR.

Entrepreneurship Development Cell (EDC) Our Institution has set up an Entrepreneurial Development Cell (EDC) to support students' creative ideas. The EDC organizes many Entrepreneurship Awareness Camps on a regular basis. The Institution has launched a number of programmes, including Pre-incubation assistance, Startup efforts, and Training. The ED Cell, via its different operations, also guides and assists potential Entrepreneurs in numerous aspects such as writing Project Reports, acquiring project approvals, loans and facilities from support system agencies, Technology information, and so on.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The students are a part of society, which is the outward expression of a unified existence. The improvement and prosperity of the community are so highly valued by our institution through its students. The Institute is committed to raising awareness of social and environmental issues among the students. The Institute coordinates a variety of extracurricular events to encourage institute-neighborhood community and to educate students about local issues.

Our Institute has engaged with other local communities to carry out a variety of outreach and extension initiatives for the benefit of the exceptional students. We run Various clubs in our Institute such as the National Service Scheme(NSS), Youth Red Cross (YRC), Red Ribbon Club (RRC) and student volunteers arrange various special camps and carry out regular activities for the benefit of rural students and people in an effort to change the public's perspective of cleanliness and raise awareness of a healthy environment.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Sasurie College of Engineering has a good infrastructure with well-furnished rooms, a pleasant atmosphere, a green campus, well-equipped laboratories, spacious classrooms, information and communication technology (ICT) facilities, playgrounds, and power backups.

ICT-enabled Classrooms & Drawing hall/Auditorium: The campus building has high-quality classrooms with adequate ventilation and smart classrooms. Each classroom ICT enabled with amenities such as a blackboard with stage, adequate lighting, ceiling fans, and draped windows.

ICT facility: The college has ICT facilities such as 350 computers for students usage, laptops, wireless microphones, video projector, sound system, and internet access to conduct workshops, association activities, conferences, guest lectures, and online classes.

Well equipped Laboratories: The College offers 76 laboratory courses as per Anna University Curriculum & Research project courses for students. Science laboratories-02, computer labs- 15 Electronics lab- 12, Electrical lab- 15, Civil lab- 07 and language lab- 01 with well equipped computers.

File Description	Documents
Upload any additional information	<a href="#">View File</a>

**4.2 - Library as a Learning Resource****4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

The library has a large collection of books, journals, e-books, magazines, and non-book materials with a separate reading room. The library was computerized by AUTO LIB software with Wi-Fi facilities. The library is linked to an ILMS. All the e-journals and e-books are purchased by the library and accessed through software. Web OPAC is one of the online resources related to the availability of books, question banks, journals, CDs, project reports, etc. The library has a sufficient number of systems with an internet facility on-book material like CDs are also available in the library. The library has transaction which is automated by using bar codes. The college library is always open for faculty members, and students during college hours and extra time also and the user's entry details are properly monitored. The renewals of books and journals subscriptions, CDs, Project reports, and other non-book materials purchasing are updated on time.

Digital library: The institution's digital library has many materials in all disciplines including sources like GRE, TOFEL, GMAT, and ISI codes in digital format. In addition, 535 audio and video cassettes are available in the department libraries. It provides several online electronic databases like IEEE, ACM, ASME, and ASCE online like CD-ROM databases.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

**Vision:** Our ambition is to develop a Centre for imparting technical education with creativity and perform research with practical values to meet challenges of engineering environment and to achieve rural empowerment.

**Mission:** The institute aims to produce innovative professionals with sound subject knowledge, research experience and social character for a sustainable growth of the nation by providing adequate training to develop education with leadership qualities.

**Quality Policy:** Sasurie College of Engineering is "Eminence in teaching through quality programs to make the young professionals self-sustained and adaptable to the ever changing global impacts and need of the industry with social relevance"

Each department frames its vision and mission in accordance with the vision and mission of the institution. This leads to the streamlining of the objectives and hence facilitates achieving the goals of the institution. Decentralized and participative management is implemented, and the faculty members are involved in the decision-making process, and implementation of the strategic plans and hence contribute for the growth of the organization.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	<a href="#">View File</a>

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Management of Sasurie College of Engineering always emphasizes perfect decentralization of activities and participative management culture which enables the staff and students to get involved in major activities of the Institution and offer their opinion and suggestions for effective administration. Governing Council, Internal Quality Assurance Cell are the two major Committees that ensures the sustained growth in the quality and standard of education. Besides these Committees, different statutory sub-committees comprising representatives from all stakeholders of the Institution are also in activation to coordinate important academic affairs.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	<a href="#">View File</a>

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

**Teaching and Learning:** ICT facilities with Blackboard, PPT, and videos (NPTEL) presentation class was handled. • Animated Videos (Innovative Teaching Aids) during the class hours. • Used real-time working modes like IOT Devices and Image Processing using Raspberry pi and Aurdino, Embedded systems etc., • Students are given assignments based on the subjects they study. Mostly they are given a case • study for knowing advanced topics of the subjects.

**Research and Development:** Students are encouraged to develop many projects related to their area of interest. They are given hands-on training with the software that they want to develop their projects. • SASURIE ELCOM SOLUTIONS (SES) : a startup training center has been established to provide solutions for real-world problems related to electronics and communication engineering, developing products as per the customer's needs, providing appropriate solutions to the researchers and imparting the basic skills required for budding Engineers to face today's challenges in the competitive world.

**Industry Interaction / Collaboration:** Motivates more number of IndustryInteraction for the students, to get funds (funded projects) from the Industry /do the support of the project from the Industry collaboration.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution has an effective system to carry out the financial resources. Head of the department prepares the department budget for the requirements of infrastructure, laboratories, library and others on consultation with respective in-charges and the same is submitted to the Principal. The principal prepares the institution budget by consolidating the departments' budgets and other expenditures incurred during the academic year and the same is submitted to the governing council for approval. The approved budget will be implemented in the functioning of the institution. The accounts department in the institution is fully computerized and carries out receipts, and payments. income, expenditure accounts and balance sheets. The transaction made inside the institution is supported by vouchers. The transactions and other operations can be done by an authorized person of the institution. A two-tier system is followed to check on the accounts by the internal and external audits.

### 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Institution has established IQAC. The stated quality policy of the institution is as follows "

Eminence in teaching through quality programs to make the young professionals self-sustained and adaptable to the ever-changing global impacts; needs of the industry with social relevance;

The policy of the institution with regard to quality assurance, takes efforts for the fulfillment of whatever is stated in the quality policy and the responsibility of the IQAC is to monitor the process of implementation and ensure the outcomes. The quality assurance process is institutionalized through management review meetings, Heads of the departments meetings and class committee meetings.

The IQAC has external members on its committee. Members have provided to improve in the areas like industrial linkages, training the students with adequate technical knowledge as per the requirements of the industries.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Sasurie College of Engineering aims to groom students of both genders to be self-reliant, continuous learners, effective communicators, have respect for different cultures, aware of their social responsibilities, too sensitive towards sexual harassment with zero tolerance with environmental consciousness. The efforts of sensitization are to generate respect for an individual irrespective of sex. SCE's prime objective is to promote engineering education which fulfils the needs of human society emphasizing gender equality. Hence, equal opportunity is ensured in all the spheres of our Institution for both genders in terms of admission, employment, training, placement, sports and cultural activities etc., so no chance of the gender issues emerging in our campus. Women Empowerment Cell is effectively functioning in our Institution which helps the girl students in all walks of life. It aims at creating awareness regarding their rights and duties by conducting various Seminars, Guest Lectures and other welfare activities etc., and thereby they are emboldened to seek their own ways and means to sort out their issues. The Cell acts as a perfect platform for women to share their views and experiences regarding their status in society and create legal awareness among teaching, administrative staff and

students. Thus the Women Empowerment cell encourages in promoting gender equity.

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

**Management of degradable and non-degradable waste:** Our Institution is highly conscious of the responsibilities to maintain the campus clean and green hence different kinds of waste management practices are adopted to keep the campus clean and hygienic.

The following are the measures involved in the best waste management criteria.

**Solid waste management:** Solid waste materials available in the campus are papers - Used papers in the office, Exam papers and used newspapers. and leaf litters and vegetable wastes. Organic waste available in the campus is converted into compost in the pit available in the garden and the organic manure produced in the compost yard is used to maintain the garden.

**Liquid waste management:** liquid waste/ sewage water and the wastewater generated during the RO process is diverted to the garden and the Farm located in the campus thus providing the garden and the farm with water irrigation independent of any bore well and waste water from the RO Plant.

**Hazardous waste and Biomedical waste management:** No biomedical waste materials are generated in the campus. Hazardous Chemical waste generated from the chemistry laboratory is very minimal posing the least threat. Yet the institution has a vent to dispose of them.

**E - Waste Management:** The E-waste generated from the campus is handed over to the authorized dealers who purchase the E-scrap and turn them into useful products.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

**PONGAL CELEBRATION** Pongal is an auspicious day for all Tamil people which is celebrated in the month called "Thai" in the middle of January. Pongal celebration reveals the importance of nature and agriculture among the public in a traditional way also called a "Samathuva Pongal" which means Pongal by all kinds of people irrespective of caste and creed. It creates the importance of this traditional festival to all the students from various states of our country.

**INDEPENDENCE DAY CELEBRATION** Independence Day is celebrated on 15th August of every year starting from the year 1947. This day is having national importance. We are remembering the sacrifice of patriots and national leaders who strive for the existence of the country with pride.

**YOGA DAY** The importance of yoga to every individual's health is elaborated by celebrating Yoga Day with our institution's students and faculty members.

**REPUBLIC DAY** is celebrated on 26th January of every year commemorating the adoption of Our Constitution by hoisting the national flag followed by cultural activities through which our Institute plays its role in proving patriotism and carrying over the same to the younger generation.

**WOMEN'S DAY** Women Empowerment Cell functioning effectively in our campus is a notable landmark for the same which aims at the intellectual and social progress of students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Our institution is striving to produce distinct productive engineers imbued with moral and ethical values. Hence, the students are being nurtured with a sense of responsibility that a responsible person should essentially possess by motivating them consistently to be involved in various social activities. Environmental cleanliness is the crux for a stronger body and mind of a person and it is the duty and responsibility of each and every individual to maintain absolute atmospheric cleanliness. It is ensured in our campus by initiating several green campus drives such as restriction of automobile entry, usage of battery-powered vehicles, pedestrian friendly pathways and landscaping with trees and plants.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice-1

**Title of Practice: "God Father Scheme"** is a collaborative effort between the student and the faculty members

To counsel the students for improving their overall performance To motivate the students to get good marks in their University Examination To increase the confidence level of the students and to excel in their respective domains To provide an open, supportive, and confidential environment to the students. To create a rapport between the parents and the faculty members of the institution

### BEST PRACTICE-2

**Title of Practice: "Club Activities"**

To develop students as leaders and support them in their efforts to make a positive impact in their careers.To provide distinct opportunities for learning, networking and socializing outside the classroom. To allow, explore, express and promote themselves in various skills. In order to function in a leadership position and as a group member the students to be assisted to increase their knowledge and skill. To assist students to develop a more positive and realistic attitude towards themselves, their peers, and the college.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Education is the process of continuous growth and is lifelong. Educational Institutions should be the home and repository of fresh thoughts and new orientations. Whatever the transformation, it will be clear that education has two main aspects - the cultural aspects which make a person grow, and, the production aspect which makes a person do things. These two aspects are not exclusive of each other. Education, science-based and coherent with Indian culture and values, alone can provide the foundation for the security and welfare of the nation It is a matter of great pride and satisfaction that gives me great pleasure to announce that Sasurie Institutions are developing as Centres of excellence for quality professional education, research, and training.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum and syllabus prescribed by Anna University and the objectives and outcomes of each course are disseminated among the students. Academic calendar based on the academic schedule is prepared and disseminated to students and teachers. In each semester, course allocation, time table preparation, course files are done in the beginning of the semester. Course files includes syllabus, lesson plan, notes of lesson, question bank, Programme Objectives and Outcomes, Course Objectives and Outcomes. Three Unit tests and two model examinations for theory courses and one model practical exam are conducted before university examination. Apart from teaching using board and chalk, teachers use LCD projector and Smart Board for effective teaching using pictures and videos. Theory subjects requiring demonstration are handled in labs for better teaching. Seminars/Guest lectures are arranged for the better understanding of the course. Industrial visits are arranged for the students apart from permitting to attend In-Plant Training and Industrial Internship. Class committee meeting is conducted to monitor the progress of theory and laboratory courses in line with lesson plans. Remote access to e- Journals and e-Books is available to all students and teachers in our library.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the outset of every academic session, the Academic Calendar prepared by the team comprising of Principal, HoDs and senior faculties is referred by the students and also available on the college website.

Internal Examinations following Anna University Schedule: Before

commencing the internal examinations, question papers are scrutinized by the Technical Expert Committee and the exams are held continuously as per schedule and the marks secured by the students are entered in Anna University web portal.

**Assessment process:** As per Anna University regulations, three internal exams are held per semester and thereby continuous performance of the students is assessed. Apart from that, other tests, assignments, miniprojects, and quizzes also form part of Continuous Internal Evaluation. The evaluated answer books are handed over to the students so as to be an opportunity for them to discuss the evaluation with the faculty concerned and the faculty rectifies the errors instantaneously noticed. Answer script scrutiny is done by the committee members also and based on which continuous monitoring is ensured in the progress of slow learners by sustained coaching.

**1.3 - Curriculum Enrichment**

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Institution holds the pride of imbibing the cross cutting issues relating to Gender, Environment and sustainability, Human Values and Professional Ethics with the main curriculum. In order to inculcate such best qualities in the students' mind several programme are conducted time and again.

**GENDER SENSITIZATION:** The Institution ensures the exertion of similar efforts in moulding students' character and caliber, irrespective of their gender.

**HUMAN VALUES:** The most important values such as courtesy, honesty, integrity, punctuality etc., constitutes the quality of a human being, our Institution is much concerned in inculcating such values in the minds of a green-horn engineer.

**PROFESSIONAL ETHICS:** Professional Ethics forms a part and parcel of the main curriculum. Hence, it is mandate to provide proper training to students to equip them to be professional in a working atmosphere.

<b>2.2 - Catering to Student Diversity</b>	
<b>2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners</b>	
<b>At the outset of academic year, the students' learning level is assessed through dual measures viz., on the basis of marks scored</b>	

in end semesters examination and internal assessment test in pursuance they are identified as slow and advanced learners. This system helps to formulate a strategy for improving slow learners through special coaching/tutorial sessions to bridge the gap between them and advance learners. After analyzing the learning level from their performance in daily tests and Internal Assessment Examination, the students are again categorized which encourages them to learn more and prove their involvement in the class room observation.

In order to motivate the students continuous trainings are given on communication skills, personality development, time management, seminars and guest lectures are arranged for their benefit. Various workshops with hands-on session both internal and external are arranged for promoting their programming knowledge and skills.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Our Institution adopts the innovative robust teaching learning process so as to provide quality education and good learning experience for students to make them to analyze the real-time applications and to supply the needs, as per industrial scenario.

Experiential Learning - termed as "Hands-on learning" is imparted

to our students in real time applications through Seminars and Workshops. Our Institution encourages the students to do the projects by forwarding them to various industries to pursue their internships, industrial trainings viz., ICT and project-based learning which enable them to do industry oriented projects.

**Participative Learning** - Our Institution has been knitted with Incubation Centres which support the students to undergo Industry- Oriented Training, Internship and Live-Projects etc., which is the ample proof of achieving their participative learning.

**Problem solving methodology** - is a student-centered pedagogy in which students learn through experiencing the salvation of open ended problems. This methodology helps students to develop their wit and talents, desirable skills and also attributes other aspects such as acquiring knowledge, enhancing group collaboration, team spirit and improvement of individual communication skill.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

It is essential for the students and the faculty to learn and master the latest technologies in order to be corporate ready. As a consequence, in our institute, the classrooms and labs are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connection. The faculty and students at our institute using various ICT enabled tools to enhance the quality of teaching-learning. The academic year 2020-2021 was completely affected by Covid-19 pandemic. Hence, Google classroom is ultimately used to manage and post course related information, learning material, quizzes, internal assessment question papers, answer scripts, assignments and their evaluations, etc. The use of laptops and internet became a common practice not only for the teachers but also for the students.

### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

**Internal Assessment Examination** - As per the Anna University norms, three centralized internal Exams (CIE) are being conducted for which the Time Table will be prepared and displayed in the notice board well in advance as per the academic schedule. Before commencing the examinations, the subject faculty members will prepare two sets of question papers based on the blooms taxonomy, verified and approved by the concerned department HoDs. Once the examination is over, the faculty concerned will discuss the question paper with students and their performance in the examination, based on the evaluation scheme. Exams are conducted continuously as per schedule and the marks secured by the students are entered in Anna University web portal along with attendance.

File Description	Documents
Any additional information	<a href="#">View File</a>
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

**Evaluation Process** - Evaluation of the answer scripts are done within two days after completion of the internal exam based on the answer key prepared by the course instructor. As a means of transparency, the evaluated answer scripts are given to the students for perusal and for discussing with the faculty concerned and the faculty, in turn will rectify the discrepancies, if any, noticed. The students will note the correction of marks and acknowledge the same by signing near the marks recorded in the answer script.

**Redress of Students' Grievances** - During the end-semester examinations the general issues being faced by the students are such as (i) difficulty in down-loading the Hall Ticket and question papers since this academic year exams has been conducted in online, (ii) wrong particulars such as Register No., Name, Gender, Subjects with Code etc., found in Hall Ticket, (iii) out of syllabus in the question paper, (iv) results withheld by University and so on. Whenever a student representing such grievances, the Exam Cell will take responsibility and initiate immediate action by representing the matter before the University authority and ensure it is redressed.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute has Course Outcomes (COs) for each course offered to the students, Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Programme Educational Objectives (PEOs) for all programme. It has devised a well-defined Vision and Mission

statements based on which POs and COs are framed correlating syllabus content by HoDs, Course Instructor along with subject experts for discussion and approval by the Governing Council.

COs, POs, PSOs, PEOs and Vision and Mission statements are disseminated to the stakeholders by displaying on the college website, HoDs' cabin, Faculty rooms, class rooms, laboratories, lab manuals, course delivery plan and at other conspicuous places of the Institution for the public view of students, staffs and others.

Upload COs for all Programmes (exemplars from Glossary)	No File Uploaded

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

**Evaluation of Programme Outcomes and Course Outcomes Attainment** - is evaluated on direct and indirect attainment achieved by students. Direct attainment is assessed through three internal tests each meant for 100 marks with the assessment weightage for 20% and End Semester examination meant for 100 marks is assessed for 80% weightage. Both are taken together with the conversion of weightage for 80% and the remaining 20% meant for indirect attainment achieved through course end survey based on which final results published.

Indirect Attainment is assessed through Student Exit Survey held at the end of program, Alumni Survey and Parent's Feedback being obtained every year. Survey questionnaire are mapped to relevant POs/PSOs.

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The Institution has developed an Eco-system to support Innovation, Knowledge transfer, and Entrepreneurship. As a part of the development of the Staff and Students, our Institution has initiated and developed some various cells related to Entrepreneurship, Publication and Patents, Research and Training

**Innovation & Incubation Cell (IIC)** Our Institution created the Innovation and Incubation cell for the development of the students. The main objective of the IIC in Technology-based Professions is to promote Innovation and Research activities of the students and staff. Students and Staff give presentations on their efforts and ideas. IIC offers numerous awareness activities, such as Special Lectures, Seminars, and Workshops on Intellectual Property Rights, to raise awareness and provide insight into various elements of IPR.

**Entrepreneurship Development Cell (EDC)** Our Institution has set up an Entrepreneurial Development Cell (EDC) to support students' creative ideas. The EDC organizes many Entrepreneurship Awareness Camps on a regular basis. The Institution has launched a number of programmes, including Pre-incubation assistance, Startup efforts, and Training. The ED Cell, via its different operations, also guides and assists potential Entrepreneurs in numerous aspects such as writing Project Reports, acquiring project approvals, loans and facilities from support system agencies, Technology information, and so on.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

**The students are a part of society, which is the outward expression of a unified existence. The improvement and prosperity**

of the community are so highly valued by our institution through its students. The Institute is committed to raising awareness of social and environmental issues among the students. The Institute coordinates a variety of extracurricular events to encourage institute-neighborhood community and to educate students about local issues.

Our Institute has engaged with other local communities to carry out a variety of outreach and extension initiatives for the benefit of the exceptional students. We run Various clubs in our Institute such as the National Service Scheme(NSS), Youth Red Cross (YRC), Red Ribbon Club (RRC) and student volunteers arrange various special camps and carry out regular activities for the benefit of rural students and people in an effort to change the public's perspective of cleanliness and raise awareness of a healthy environment.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Sasurie College of Engineering has a good infrastructure with well-furnished rooms, a pleasant atmosphere, a green campus, well-equipped laboratories, spacious classrooms, information and communication technology (ICT) facilities, playgrounds, and power backups.

ICT-enabled Classrooms & Drawing hall/Auditorium: The campus building has high-quality classrooms with adequate ventilation and smart classrooms. Each classroom ICT enabled with amenities such as a blackboard with stage, adequate lighting, ceiling fans, and draped windows.

**ICT facility:** The college has ICT facilities such as 350 computers for students usage, laptops, wireless microphones, video projector, sound system, and internet access to conduct workshops, association activities, conferences, guest lectures, and online classes.

**Well equipped Laboratories:**The College offers 76 laboratory courses as per Anna University Curriculum & Research project courses for students. Science laboratories-02, computer labs- 15 Electronics lab- 12, Electrical lab- 15, Civil lab- 07 and language lab- 01 with well equipped computers.

File Description	Documents
Upload any additional information	<a href="#">View File</a>

#### 4.2 - Library as a Learning Resource

##### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The library has a large collection of books, journals, e-books, magazines, and non-book materials with a separate reading

room. The library was computerized by AUTO LIB software with Wi-Fi facilities. The library is linked to an ILMS. All the e-journals and e-books are purchased by the library and accessed through software. Web OPAC is one of the online resources related to the availability of books, question banks, journals, CDs, project reports, etc. The library has a sufficient number of systems with an internet facility on-book material like CDs are also available in the library. The library has transaction which is automated by using bar codes. The college library is always open for faculty members, and students during college hours and extra time also and the user's entry details are properly monitored. The renewals of books and journals subscriptions, CDs, Project reports, and other non-book materials purchasing are updated on time.

**Digital library:** The institution's digital library has many materials in all disciplines including sources like GRE, TOFEL, GMAT, and ISI codes in digital format. In addition, 535 audio and video cassettes are available in the department libraries. It provides several online electronic databases like IEEE, ACM, ASME, and ASCE online like CD-ROM databases.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

**Teaching and Learning:** ICT facilities with Blackboard, PPT, and videos (NPTEL) presentation class was handled. • Animated Videos (Innovative Teaching Aids) during the class hours. • Used real-time working modes like IOT Devices and Image Processing using Raspberry pi and Aurdino, Embedded systems etc., • Students are given assignments based on the subjects they study. Mostly they are given a case • study for knowing advanced topics of the subjects.

**Research and Development:** Students are encouraged to develop many projects related to their area of interest. They are given hands-on training with the software that they want to develop their projects. • SASURIE ELCOM SOLUTIONS (SES) : a startup training center has been established to provide solutions for real-world

problems related to electronics and communication engineering, developing products as per the customer's needs, providing appropriate solutions to the researchers and imparting the basic skills required for budding Engineers to face today's challenges in the competitive world.

**Industry Interaction / Collaboration:** Motivates more number of IndustryInteraction for the students, to get funds (funded projects) from the Industry /do the support of the project from the Industry collaboration.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

1. Teachers are encouraged and given 'OD DUTY' leave to attend FDP, Workshops and Conferences conducted by reputed institutions.
2. The registration fees to be paid for the above programs are borne by our college.
3. Teachers are encouraged to pursue Ph.D. and required ODs are given for research-related works.

4. Promotion / increments are given to staff members based on the self appraisal report submitted by our staff members every month.

5. Employee Provident Fund scheme is encouraged and implemented for our staff members.

6. 12 casual leaves per year and two one-hour permissions per month are provided to faculty members.

7. Compensatory Leave is also given for working on holidays declared by the college.

8. Equal numbers of male and female candidates are recruited in various faculty positions.

9. Lady faculty members are given 'Maternity leave' for six months without affecting their continuous service.

10. Staff members are provided gifts and sweets during festivals like Deepvali, Pongal, Pooja, New Year etc.

11. Teachers with distinguished performances in academics, research and other activities are honoured with cash award and special certificates etc.

#### **6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

The institution has an effective system to carry out the financial resources Head of the department prepares the department budget for the requirements of infrastructure, laboratories, library and others on consultation with respective in-charges and the same is submitted to the Principal. The principal prepares the institution budget by consolidating the departments' budgets and other expenditures incurred during the academic year and the same is submitted to the governing council for approval. The approved budget will be implemented in the functioning of the institution. The accounts department in the institution is fully computerized and carries out receipts, and payments. income, expenditure accounts and balance sheets. The transaction made inside the institution is supported by vouchers. The transactions and other operations can be done by an authorized person of the institution. A two-tier system is followed to check on the accounts by the intemal and external audits.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Institution has established IQAC. The stated quality policy of the institution is as follows "

Eminence in teaching through quality programs to make the young professionals self-sustained and adaptable to the ever-changing global impacts; needs of the industry with social relevance;

The policy of the institution with regard to quality assurance, takes efforts for the fulfillment of whatever is stated in the quality policy and the responsibility of the IQAC is to monitor the process of implementation and ensure the outcomes. The quality assurance process is institutionalized through management review meetings, Heads of the departments meetings and class committee meetings.

The IQAC has external members on its committee. Members have provided to improve in the areas like industrial linkages, training the students with adequate technical knowledge as per the requirements of the industries.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Sasurie College of Engineering aims to groom students of both genders to be self-reliant, continuous learners, effective communicators, have respect for different cultures, aware of their social responsibilities, too sensitive towards sexual harassment with zero tolerance with environmental consciousness. The efforts of sensitization are to generate respect for an individual irrespective of sex. SCE's prime objective is to promote engineering education which fulfils the needs of human society emphasizing gender equality. Hence, equal opportunity is ensured in all the spheres of our Institution for both genders in terms of admission, employment, training, placement, sports and cultural activities etc., so no chance of the gender issues emerging in our campus. Women Empowerment Cell is effectively functioning in our Institution which helps the girl students in all walks of life. It aims at creating awareness regarding their rights and duties by conducting various Seminars, Guest Lectures and other welfare activities etc., and thereby they are emboldened to seek their own ways and means to sort out their issues. The Cell acts as a perfect platform for women to share their views and experiences regarding their status in society and create legal awareness among teaching, administrative staff and students. Thus the Women Empowerment cell encourages in promoting gender equity.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

**Management of degradable and non-degradable waste:** Our Institution is highly conscious of the responsibilities to maintain the campus clean and green hence different kinds of waste management practices are adopted to keep the campus clean and hygienic.

The following are the measures involved in the best waste management criteria.

**Solid waste management:** Solid waste materials available in the campus are papers - Used papers in the office, Exam papers and used newspapers and leaf litters and vegetable wastes. Organic waste available in the campus is converted into compost in the pit available in the garden and the organic manure produced in the compost yard is used to maintain the garden.

**Liquid waste management:** liquid waste/ sewage water and the wastewater generated during the RO process is diverted to the garden and the Farm located in the campus thus providing the garden and the farm with water irrigation independent of any bore well and waste water from the RO Plant.

**Hazardous waste and Biomedical waste management:** No biomedical waste materials are generated in the campus. Hazardous Chemical waste generated from the chemistry laboratory is very minimal posing the least threat. Yet the institution has a vent to dispose of them.

**E - Waste Management:** The E-waste generated from the campus is handed over to the authorized dealers who purchase the E-scrap and turn them into useful products.

**7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).**

**PONGAL CELEBRATION** Pongal is an auspicious day for all Tamil people which is celebrated in the month called "Thai" in the middle of January. Pongal celebration reveals the importance of nature and agriculture among the public in a traditional way also called a "Samathuva Pongal" which means Pongal by all kinds of people irrespective of caste and greed. It creates the importance of this traditional festival to all the students from various states of our country.

**INDEPENDENCE DAY CELEBRATION** Independence Day is celebrated on 15th August of every year starting from the year 1947. This day is having national importance. We are remembering the sacrifice of patriots and national leaders who strive for the existence of the country with pride.

**YOGA DAY** The importance of yoga to every individual's health is elaborated by celebrating Yoga Day with our institution's students and faculty members.

**REPUBLIC DAY** is celebrated on 26th January of every year commemorating the adoption of Our Constitution by hoisting the national flag followed by cultural activities through which our Institute plays its role in proving patriotism and carrying over the same to the younger generation.

**WOMEN'S DAY** Women Empowerment Cell functioning effectively in our campus is a notable landmark for the same which aims at the intellectual and social progress of students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Our institution is striving to produce distinct productive engineers imbued with moral and ethical values. Hence, the students are being nurtured with a sense of responsibility that a

responsible person should essentially possess by motivating them consistently to be involved in various social activities. Environmental cleanliness is the crux for a stronger body and mind of a person and it is the duty and responsibility of each and every individual to maintain absolute atmospheric cleanliness. It is ensured in our campus by initiating several green campus drives such as restriction of automobile entry, usage of battery-powered vehicles, pedestrian friendly pathways and landscaping with trees and plants.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice-1

**Title of Practice: "God Father Scheme"** is a collaborative effort between the student and the faculty members

To counsel the students for improving their overall performance  
 To motivate the students to get good marks in their University Examination  
 To increase the confidence level of the students and to excel in their respective domains  
 To provide an open, supportive, and confidential environment to the students. To create a rapport between the parents and the faculty members of the institution

#### BEST PRACTICE-2

**Title of Practice: "Club Activities"**

To develop students as leaders and support them in their efforts to make a positive impact in their careers. To provide distinct opportunities for learning, networking and socializing outside the classroom. To allow, explore, express and promote themselves in various skills. In order to function in a leadership position and as a group member the students to be assisted to increase their knowledge and skill. To assist students to develop a more positive and realistic attitude towards themselves, their peers, and the college.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Education is the process of continuous growth and is lifelong. Educational Institutions should be the home and repository of fresh thoughts and new orientations. Whatever the transformation, it will be clear that education has two main aspects - the cultural aspects which make a person grow, and, the production

aspect which makes a person do things. These two aspects are not exclusive of each other. Education, science-based and coherent with Indian culture and values, alone can provide the foundation for the security and welfare of the nation It is a matter of great pride and satisfaction that gives me great pleasure to announce that Sasurie Institutions are developing as Centres of excellence for quality professional education, research, and training.

### 7.3.2 - Plan of action for the next academic year

1. Applying for more government funds to serve the society.
2. New initiatives for the improvement of the Admission process.
3. Taking initiative for the students to clear all their arrears before completing their course.
4. Conduction of VAC with respect to recent trends in their discipline to bridge the curricular gap.
5. Encouraging students to undertake Internship/field work/project work/product development work
6. Encouraging students to participate in sports and cultural activities.
7. Motivating to apply and receive patents
8. Conducting many capacity-building and Skill enhancement programmes for the upliftment of the students.
9. Motivating the students to pursue their higher studies.
10. Guiding the students to appear for many competitive exams.
