## OUR PLACEMENTS

The Training & Placement Cell at SASURIE is committed to equipping students with the skills and opportunities they need for successful careers. Its objectives include providing job placements for final-year students and summer internships for second-year students, enhancing technical and soft skills, and fostering strong industry-institute interactions. The cell offers training in English communication, aptitude, mathematics, personality development, and technical skills, delivered by both internal and external trainers, to ensure students are well-prepared for the job market and can excel in their chosen fields.
